## Order Management

The image shows a software window titled "Order Management" with standard window controls (minimize, maximize, close) in the top right corner. The main interface is divided into several sections:

- Table Headers:** At the top, there are two sets of column headers. The left set includes "ID", "Name", "Price", and "Quantity". The right set includes "Name", "Quantity", and "Price".
- Data Entry Area:** Below the headers, there are two large rectangular boxes, one grey on the left and one orange on the right, intended for displaying data.
- Form Section:** A light green rectangular area at the bottom contains a blue-bordered box with the following elements:
  - Text: "Which ID Item You want?" followed by a text input field.
  - Text: "Enter Quantity" followed by a text input field.
  - Button: "New Item" located to the right of the input fields.
- Navigation Buttons:** At the very bottom of the green area, there is a row of four buttons: "View", "Order", "Bill", and "Back". The "View" button is highlighted with a red rectangular border, and a mouse cursor is pointing at it.

Click "view" to view the menu list
